DANCE - - - - - DANCE - - - - - DANCE !!!

Who says Marian doesn't have enough social life?? The biggest trouble now is finding a free Friday night. Last Friday witnessed the C.S.M.C. dance. That got the semester off to a good start. Now then ...

TONIGHT - - - The A.R.A. Square Dance (also round dancing) - 50¢ a head - 8:30 p.m. - Mixed Lounge. For all you new students, let us tip you off. This is one of the best dances of the year. For those who were here for last year's dance, we don't have to say a thing. See you tonight.

FEBRUARY 14th - - - - - ONE WEEK FROM TONIGHT!!!

The Sweetheart's Ball - \$2.50 a couple - sponsored by the Sophomores. This promises to be one of the most elaborate dances of the year, with many surprises in store for everyone. Speculation as to who the "King" and "Lady Marian" will be is running high. Will the Freshmen capture "King" honors by using Shott ( sorry, Jim, we couldn't resist)? Will the luck of the Irish favor one of those Likely lads, Cunningham and Murphy? Watch Don DeHart! He just may climb to victory. He has a record climb to his credit already (remember that greased pole, Don?). Or will we wind up rejoicing because we're "Happy Jack" is King of the Ball.

What about "Lady Marian"? Will the Seniors fit a certain Pe with the crown or will they Sue for victory? Could the Sophs Sally forth to take the coveted honor? Will the Freshmen commit a Larson-y and steal the position of "Lady Marian" or will the Juniors wrap up the crown with Sara-n Wrap? No one knows who the lucky pair will be, but to make sure you're one of the first to see for yourself, don't miss the:

The Vets Are Out For Blood...

And to make it worse, it's YOUR blood they want! Next Tuesday the Mixed Lounge will be "bathed in blood." Sounds gruesome, doesn't it. Don't worry, though, it isn't too late to get in on the fun. Volunteers can still sign in the Information Office and those under 21 can pick up a permission card there. These cards must be presented by all those under age so don't forget them. By the way, to clear up any doubts, this blood is not sold at any time! Now... come and GIVE.

HERE IT IS AT LAST...

SWEETHEARTS BAWL ...

There are a lot of beautiful girls around the school who still do not have dates for the SWEETHEARTS BALL. All you guys get on the ball so that they will have time to get their formals ready.

ONIONS - To you girls who have been leaving empty bottles in the MEN'S LOUNGE.

ONIONS - To those future home makers who have been leaving their gum on the arms of the chairs in the girl's LOUNGE. It's thoughtful of you, but nobody wants it when all the flavor is gone.

ORCHIDS - To the honest soul who turned into the office the \$10 that was lost in the hall.

WHO is it that tells half of Marion County every time one of our students has a party? This certainly makes it nice when someone invites a few of his friends from school, and has his house taken over by a gang of rabble-rousers and pugilistic big-shots from other schools. The parties are fewer than ever now, and will continue so as long as such a state exists. No one wants their house wrecked.

WELCOME - To all the new faces we see around the campus. We the editors of the CARBON would like to take this opportunity to wish you a full and enjoyable life here at Marian. If you are not familiar with the CARBON, we hope to remedy that with this issue. We are a weakly (sometimes) paper and as the voice of the student (as an individual or as a group), are dedicated to "spreading the word". If you have anything to say, just write it on a piece of paper and drop it in the box in the publications room on the third floor.
